WENSCO ALPHATAPE APPLICATION TAPE

PRODUCT DESCRIPTION

ALPHATAPE is a high tack paper (crepe) application tape. This transfer tape is recommended for small vinyl paint mask installations. It is backed with a premium, heavyweight paper that resists tearing during difficult installations and over rivets. The adhesive has been specially formulated to stick to areas of exposed liner, offering excellent lay flat characteristics. This means your graphics can withstand a lot of handling during transportation and storage without the worry of tunneling or curling.

PERFORMANCE FEATURES

Ultra adhesive with superior adhesion to liner technology results in a consistent adhesion to exposed liner. Heavyweight paper backing with dimensional stability and resistance to humidity. Smooth lamination, trouble-free stacking and storage of finished products
