

**535**  
SANDMASK

## PRODUCT OVERVIEW

The 535 SandMask is designed to hold up under the toughest blasting conditions (up to 120 PSI) and yet cuts cleanly by hand or computer and weeds easily. This blue vinyl on a Mylar liner conforms well to the surface of most substrates. This product can be used for monuments and in industrial conditions

- **REGULAR GRIP ADHESIVE**

Regular Grip adhesive should be used on smoothed, primed, or painted surfaces.

- **HIGH GRIP ADHESIVE**

High Grip adhesive should be used when the substrate is more porous.
