# G2G PDS

## Power Distribution Splitter

### Specifications

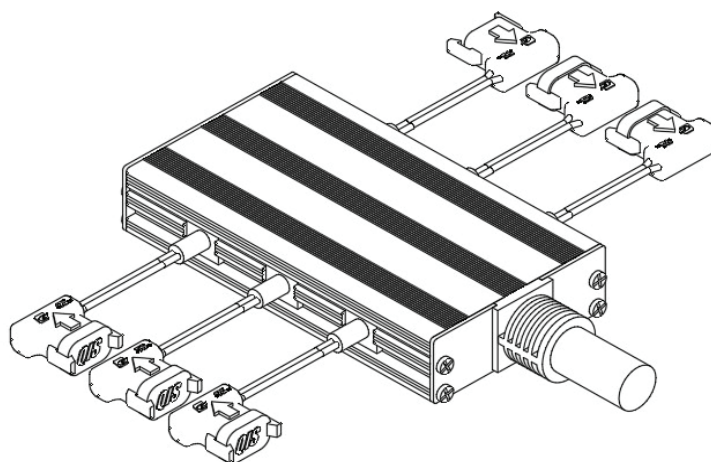

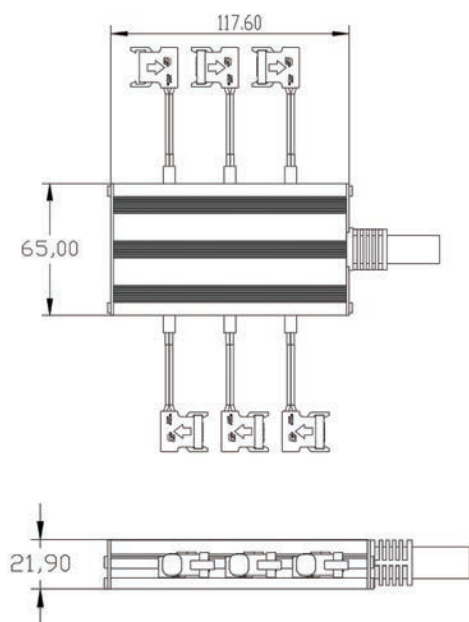

Maximum Input	360W/12V, 576W/24V
Output Voltage	12VDC/24VDC
Maximum output for each outlet	60W/12V 96W/24V
Protection Grade	IP67
Packaging	1 pcs/box
Warranty	5 Year
Operating Temp.	-30°~ +60 °C

IP67 c  us

### Benefits

- Quick Installation System (QIS) enabled.
- Designed for power distribution.
- Class II standard.
- Safety feature.
- Labor saving
