Epson Genuine Dye-Sublimation Ink

Ink Bottles with Auto-Stop Technology

High-Performance Ink Technology

- Ink Safety with Oeko-Tex ECO PASSPORT certified inks
When applied to fabric and appropriately fixed, garments have been determined safe for use by adults, children, and babies¹
- Auto-Stop Technology for easy ink refilling without the mess
- High Capacity 140-mL bottles with long shelf-life of 2 years unopened
- Epson strongly recommends the use of genuine ink to ensure optimal print quality and performance.

¹ When applied to fabric and appropriately fixed Epson DS ink has passed the standards set by OEKO-TEX® ECO PASSPORT. For further details on these standards please visit www.oeko-tex.com/ecopass.

Epson Genuine Transfer Paper

Auto-Sheet Feeder

- Supports Sheet sized from 3.5" x 5" up to 8.5" x 14"
- Paper tray holds up to 150 sheets

Epson DS Transfer Multi-Use Paper

- Paper is matched with print settings and ink to produce high quality color output out of the box
- Dye-Sublimation optimized transfer paper produces high photo quality on rigid materials and excellent coverage on fabrics
