

# SureColor F170 Printer

# The complete dye-sub print solution for easy, high-quality results right from the start.

**Astounding print quality** — PrecisionCore® printhead offers Precision Droplet Control for outstanding clarity

**Genuine Epson® dye-sublimation ink technology** — delivers extraordinary color saturation and high color contrast

**Versatile media support** —includes a 150-sheet auto-feed tray for added efficiency

**Replace ink less often** — high-capacity ink bottles with auto-stop for easy, mess-free filling

**Tackle a variety of print jobs** — Epson DS Multi-Use transfer paper produces amazing images on both soft and rigid materials

**Reliable performance** — backed by Epson world-class service and support

**Easy printing right out of the box** - comes equipped with streamlined print software optimized for dye-sublimation

**Flexible connectivity** — easily connect to the printer via USB, Ethernet or integrated wireless

Epson strongly recommends the use of genuine ink to ensure optimal print quality and performance.

Epson strongly recommends the use of genuine ink to ensure optimal print quality and performance

#### ECO PASSPORT by OEKO-TEX

ECO PASSPORT by OEKO-TEX is a system by which textile chemical suppliers demonstrate that their product can be used in a sustainable textile production. Epson dye-sublimation ink is certified by the ECO PASSPORT. This is an international safety standard in the textile industry. It is certified to be safe for adults and children, including babies

1 Bottle yields vary considerably based on images printed, print settings, paper type, frequency of use and temperature. For print quality, a variable amount of ink remains in the cartridge after the "replace bottle" indicator comes on. The printer ships with full cartridges and part of the ink from the first bottle is used for priming the printer. | 2 Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | 3 For the latest drivers, visit www.epson.com/support | 4 Allowed by printer driver for Mac and PC. Application, version of application and operating system version may limit maximum length. | 5 For convenient and reasonable recycling options, visit www.epson.com/recycle 6 SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.
