

3333 TrueColor™ Paper 7 mil / 37lb

PRODUCT DESCRIPTION

3333 TrueColor™ is a "Green" bright white, matte paper. The instant dry matte finish provides "plug and play" printing when selecting standard "coated paper" or "heavyweight coated paper" mode on most printers. 3333 is ideal for a variety of applications ranging from imposition proofing to low cost posters. The 98% opacity minimizes show through when mounting to irregular or non-white surfaces.
